

### Remarks

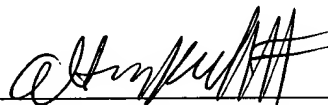

In response to the Notice of Allowability mailed on April 19, 2005, the Applicant respectfully submits the above-referenced amendments to the Specification for entry prior to issuance of the pending application. As noted above, the Applicant has amended the Specification to conform with changes made to correct the drawings as required by the Notice of Draftsperson's Drawing Review as indicated in the attachment to Paper No. 6.

In view of the foregoing amendment and remarks, the application should now be allowed to issue. If the Examiner believes, after this amendment, that the application is no longer in condition for allowance, the Examiner is invited to call the Applicant's attorney at the number listed below.
